

The Liphook Equine Hospital Laboratory Price List (effective from 01.02.10)

(prices in £ excluding VAT)

BLOOD PROFILES: (EDTA and plain serum required except*)		
INFLAMMATORY BASIC SCREEN	(Haem+diff, TP, albumin, globulins, fibrinogen, serum amyloid A)	28.60
GERIATRIC	(Haem+diff, TP, albumin, globulins, fibrinogen, GGT, AP, creatinine)	39.00
LIVER	(Haem+diff, TP, albumin, globulins, fibrinogen, AST, GGT, AP, GLDH, LDH, Bile acid)	54.60
LAMINITIS RISK*	(Insulin, glucose, triacylglycerol, RISQI, MIRG) - *plain serum & 'Ox-F' tube required	33.00
RENAL	(Haem+diff, TP, albumin, globulins, fibrinogen, creatinine, urea, Ca, PO4)	44.20
MUSCLE	(Haem+diff, CK, AST, creatinine, urea)	33.80
ELECTROLYTE 3	(Na, K, Cl)	24.50
ELECTROLYTE 6	(Na, K, Cl, Ca, PO4, Mg)	39.00

(further "customised profiles" can be requested at 65% of cost of individual components)

INDIVIDUAL BLOOD TESTS:		
HAEMATOLOGY & DIFFERENTIAL including platelets (EDTA or citrated sample required)		20.00

BIOCHEMISTRY (serum sample required except where noted otherwise)			
Total Protein, albumin, globulins	8.00	Serum amyloid A	8.00
Fibrinogen (EDTA or citrate)	8.00	Calcium (total)	8.00
AP	8.00	Calcium (ionised)	18.50
AST	8.00	Phosphate	8.00
CK	8.00	Magnesium	8.00
GLDH	8.00	Prothrombin time (citrate)	8.00
GGT	8.00	APTT (citrate)	8.00
LDH	8.00	Bile Acids	8.00
Triglycerides	8.00	Glucose (oxalate fluoride)	8.00
Bilirubin	8.00	Cortisol	17.00
Creatinine	8.00	2 x cortisol	32.00
Urea	8.00	Insulin	17.25
IgG (serum or EDTA)	17.50	¹ACTH (chilled, separated & EDTA)	19.50

30% discount applies to follow-up blood samples from the same case

Further discount/refund (up to 17½%)⁵ applies to practice turnovers > £250 per month

DIARRHOEA (faecal samples):		
² Adult horse:	(Aerobic culture, <i>C.perfringens</i> enterotoxin (CPE), <i>C.difficile</i> toxins A+B)	52.50
² Foal:	(Aerobic culture, Rotavirus, <i>Cryptosporidium</i> , CPE, <i>C.difficile</i> toxins A+B)	64.00
² Rotavirus & <i>Cryptosporidium</i>		25.00
² <i>C.difficile</i> TOX A/B & <i>C.perfringens</i> enterotoxin		42.00
² Faecal occult blood/protein		25.00

OTHER TESTS:			
Aerobic culture	18.50	Skin microscopy + culture	23.50
Disc sensitivity	8.00	Faecal worm egg count (1 sample)	10.00
Anaerobic culture	11.00	(>5: 8.00 each; >10: 7.00 each)	
³ CEM swab mare	17.50	² Rotavirus	13.50
³ CEM swab + EVA serology	30.00	² <i>Cryptosporidium</i>	13.50
³ CEM stallion (3 swabs)	45.00	² <i>C.difficile</i> toxins A+B	23.00
³ CEM stallion (4 swabs)	57.50	² <i>C.perfringens</i> enterotoxin	23.00
API identification	12.50	Urinalysis	12.50
⁴ Cytology	21.00	Urinalysis and culture	29.50
⁴ Cytology+culture	35.00	<i>Borrelia</i> serology (Lyme disease)	24.00
		<i>Anaplasma</i> serology	24.00

Please note the special delivery charge for our pre-paid next day postal labels is now £4.50 + VAT per package received and will appear on your lab report. First class postal address labels remain free of charge.

¹(contact lab first for free chiller pack)

²faecal sample required

³Amies charcoal transport medium and arrival at laboratory within 48 hours mandatory

⁴For TW and BAL please submit in EDTA or cytopsin solution for cytology and without preservative for culture

⁵ £250-400, 5%; £401-750, 10%; £751-1100, 12½%; £1101-1750, 15%; £1751+, 17½%
